## IASLC Lung Cancer News

- The ILCN, the IASLC's official newspaper, has transitioned to an all-digital platform on IASLC.org.
- More timely and relevant lung cancer news. More nuanced expert perspectives about clinical care.
- More global and multidisciplinary content
- Easily discoverable and there when you need it.

**ILCN**  
IASLC LUNG CANCER NEWS

[IASLC.org/IASLC-News](http://IASLC.org/IASLC-News)

**Immunohistochemistry is an extremely valuable and powerful technique for pathologic diagnosis.**

Published by the IASLC and its Pathology Committee, the IHC Atlas takes a comprehensive look at diagnostic IHC and its role in thoracic pathology.

The IHC Atlas is a useful reference for anyone interested in thoracic tumor diagnostics, from basic researchers to practicing oncologists. All pathologists should have access to these best practices.

**Visit the IASLC booth to order your copy today!**
